

How to register for access to your account on Fidelity NetBenefits®

If you have previously registered with Fidelity.com, NetBenefits®, or eWorkplace®, you do not need to register again. Use your existing username and password to access your new account.

If you have not yet registered, use the instructions below to help you set up your workplace savings account on NetBenefits.

New user registration

During the new user registration process, you may be asked to take an additional security step to help us authenticate your account.

1 Verify your identity

Enter information in the following required fields:

- Your first and last name
- Your date of birth
- Last four digits of your Social Security number

Select the **Submit** button.

2 Set up your username

We require that you create a **unique username**.

- Use 6–15 characters, including at least two letters.

Select **Check Availability** to ensure the username is not already in use.

You may **not** use:
