Contract and Scale of Wages

THIS AGREEMENT made and entered into between the University of Minnesota and GCC/IBT Local 1B, Twin Cities by the officers duly authorized to act in its behalf, hereinafter called the Union.

Duration of Contract

SECTION 1.

THIS CONTRACT shall be effective June 21, 2021 and shall terminate upon notice of either party to the other on June 30, 2024. Furthermore, either party may serve a written notice sixty (60) days prior to any subsequent annual expiration date of its desire to terminate, modify or amend the Agreement.

Coverage of Contract and Union Security

SECTION 2.

(a) University of Minnesota Printing and Graphics bindery workers whose employment exceeds the lesser of fourteen (14) hours per week or thirty-five (35) percent of the normal work week and who are employed more than sixty-seven (67) working days in any calendar year, but excluding students, managerial, supervisory and confidential employees and other employees excluded by the Public Employment Labor Relations Act, Minn. Stat. 179.01 et. seq., as amended from time to time, shall be covered by this Agreement. This includes the following classifications: 5209 Printing Production Assistant, 5210 Printing Equipment Operator, 5211 Printing Production Foreperson.

(b) All employees of the Employer covered by this Agreement shall be members of the Union in good standing in accordance with the Public Employment Labor Relations Act, Minn. Stat. 179A.06 Subd. 3, as amended from time to time. The EMPLOYER shall deduct from the wages of employees who authorize such a deduction in writing an amount necessary to cover monthly union dues. Such monies shall be remitted bi-weekly to the UNION.

(c) The business representatives of the Union shall be privileged to visit the bindery at their convenience, but shall make their presence known to the Employer prior to or at the time of their visit and shall cooperate with the Employer insofar as customer security requirements, legal requirements and undue interference with work is concerned.

(d) When new or additional employees are needed, the Employer must notify the Union of the number and classification of the employees needed and the Union shall refer those applicants who are immediately available to the Employer. Referral by the Union of applicants will be on a non-discriminatory basis.

Grievance and Arbitration

SECTION 3.

(a) After every attempt is made by the Union Steward and a Supervisor, representing management, to adjust a dispute that may arise, the Union and the Employer do hereby agree to the following grievance procedure:

3.1 Step 1. When a dispute or controversy arises over the interpretation of, or adherence to, the terms and provisions of this Agreement, the Union must within fifteen (15) working days, officially notify in writing the Employer that a dispute exists. A meeting shall then be held within five (5) working days between the Business Agent of the Union and the Employer, in an attempt to resolve the dispute. If a resolve cannot be reached, the grievance will proceed to Step 2.

3.1 Step 2. If no resolve can be reached in Step 1, a meeting shall be held within ten (10) working days, between the Next level of Management and the Business Manager of the Union, in an attempt to resolve the dispute. If no agreement can be reached, the Union and the Employer shall proceed to step 3.

3.1 Step 3. If the Union and the Employer cannot reach a resolve in Step 2, either party shall, within ten (10) working days, make a written request, with a copy of such request concurrently sent to the other party to this Agreement, to the Minnesota State Bureau of Mediation Services, for a list of a minimum of five (5) arbitrators. The aggrieved party shall first strike one name, with the other party striking the second name, the aggrieved party striking a third name and the other party striking a fourth name and the last remaining name shall be the arbitrator. The grievance shall be presented to the arbitrator and the decision of the arbitrator shall be in writing and shall be final and binding upon all parties concerned. The list submitted by the Bureau of Mediation Services shall be confined to arbitrators who are residents of the Twin City Metropolitan area.

(b) The fees and expenses of the arbitrator shall be paid one-half (1/2) by the Employer and one-half (1/2) by the Union.

(c) The time frames spelled out in Steps 1, 2 and 3 may be adjusted, as mutually agreed upon, by the Employer and the Union. No grievance is valid unless submitted to the other party in writing within thirty (30) calendar days after its occurrence except in the case of discharge in which case the grievance must be filed within seven (7) days after the Union's receipt of written notice of the discharge, as set forth in Section 27 of this Agreement. In addition, no grievance shall be entitled to consideration unless or until it is submitted in writing to the Employer with a copy to the Union, signed by the employee aggrieved and/or a Union Representative.

(d) Either the Shop Steward or the Union Business Representative or both shall be given the opportunity to be present when any grievance is presented and/or settled.

(e) It is understood and agreed that the party losing the arbitration shall immediately become and remain in compliance with said award until such time as said award shall have been reversed by a court of competent jurisdiction. In the event said award calls for the payment of money, such sum shall be deposited in a local bank in escrow within ten (10) days of the date of the award and shall remain there until determination on appeal, if any, by a court of competent jurisdiction. In the event such appeal is successful, said sum of money shall immediately be refunded to the prevailing party; nevertheless, that if no appeal is commenced within thirty (30) days after receipt of the arbitration award, said sum of money shall then be paid immediately to the prevailing party.

Such higher hourly rates shall be continued during the term of this Agreement unless reduced or removed by the Employer for just cause. Any dispute over what constitutes "just cause" shall be subject to the grievance and arbitration provisions of Section 3. herein; provided, however, it shall be optional with the Employer to grant or withhold any increase effective at any subsequent date unless withholding of the increase would result in a rate less than minimum.

(f) Any Journeyman 1 or Journeyman 1 Apprentice with two (2) or more years as an apprentice who is forced to take lower classification as a result of layoff, shall be paid the regular rate of pay

for up to thirty-one (31) shifts per Contract year. Thereafter, the employee may be paid the rate the job requires at the Employer's option.

Cost of Living

(g) Language to remain but all effects of COLA are frozen for the term of the Contract.

(h) During the life of the Contract, the wage rate for each employee will be increased or decreased in accordance with the rise or fall of the Consumer Price Index for Urban Wage Earners and Clerical Workers (Including Single Worker) 1967 = 100 for all Cities issued by the United States Bureau of Labor Statistics, but at no time will the rates be below the wage scale in effect on _____.

(i) For each 1 point rise of the U.S. All Cities (w) Index above the April, 1985 base, there will be a \$.04 per hour increase in hourly rates on the appropriate hourly rate. Likewise, when the Index drops 1 point, there will be a \$.04 reduction in the hourly rates on the appropriate wage rate, but in no event below the rates in effect on _____. Calculations will be made semi-annually based on the rise and/or fall of the Index between _____ and the Index figure each subsequent October and April.

(j) Wage adjustments as a result of this clause will be effective on: _____.

(k) The wage scales adjusted in accordance with this Article, which are effective on _____, shall be deemed to be the wage scale incorporated into this Agreement upon expiration of this Agreement.

(l) No adjustments, retroactive or otherwise, shall be made due to any correction which may later be made in the published figures for BLS Consumer Price Index.

(m) In the event the BLS discontinues the issuance of the Consumer Price Index used by the parties for computing cost of living adjustment, the parties shall substitute for such index the index issued by the Bureau to replace the discontinued index.

Picket Lines

SECTION 5.

Any employee covered by this Agreement who strikes in violation of the Public Employment Labor Relations Act, Minn. Stat. 179A.19, as amended from time to time, may have their employment terminated effective the date the violation first occurs.

Jury Duty

SECTION 6.

When permanent employees receive notice of jury duty, they shall notify their supervisor at once. They will be given leave for such jury duty and will be made whole for loss of pay during this period. When the time comes for employees to go on jury duty, they will be transferred automatically to days and will be considered a day shift employee until jury duty is completed, furthermore, the employee shall not be required to report to work before going on jury duty.

An employee shall have the right to reject night work during the period of jury service. It shall be deemed a violation of this Contract for the Employer to compel such employee to work a night shift by any act of discrimination, directly or indirectly, in tenure, terms or conditions of employment. In making the employee whole, their wages will be computed in accordance with the provisions of Section 13.(q), as if they had worked on the first shift at straight time and be paid in full therefore, minus the amount evidenced by their jury check.

A substitute will not be required to replace any employee on jury duty. In no event shall jury allowance be made in any one calendar year to an employee for over two weeks of such service; provided, however, that an employee is assigned to a trial to continue beyond the two weeks of such service may continue without loss of wages (provided the employee complies with the other provisions of this Section) until the end of the trial assignment but in no event longer than five additional work days. Whenever considered necessary by the Employer, because of the needs of the business at a particular time or the difficulty of substituting for the particular employee, said employee will cooperate with the Employer in requesting and obtaining a postponement of said jury duty.

Call In Pay

SECTION 7.

In no case shall an employee receive less than a day's pay or night's pay at the straight time rate except when discharged for cause or excused at their own request. The full shift provision shall not apply where plant operations affecting the particular employee's job are interrupted for reasons beyond the control of the Employer such as fire, explosion, power failure or acts of God. Where the interruption of work occurs after the employee has punched in and started work, the employee shall receive pay for the full shift, regardless of the reason for the interruption. Whenever work is scheduled for Saturdays, Sundays or holidays, the employee shall be guaranteed five (5) hours work at applicable rates.

Notice of Overtime

SECTION 8.

(a) The Employer shall give employees reasonable notice of overtime; however, as to overtime to be worked anytime, Monday through Friday, (Sunday through Thursday as it may apply to the third shift), no employee shall be required to work overtime unless the Employer gives advance notice thereof within the first four (4) hours of the employee's regular work shift, provided said employees have to work two (2) or more hours overtime.

(b) Employees will not be required to work overtime on Saturday, Sunday or Holidays unless the employees have been notified of such overtime in advance, so that there is at least one shift worked following the time of notification.

(c) An employee, not scheduled during the week, may not be forced to work Saturday, Sunday or Holidays except by mutual agreement.

Overtime Pay

SECTION 9.

(a) All work done during the noon intermission and all overtime in excess of seven (7) hours will be paid for at time and one-half up to three (3) hours of overtime; all overtime in excess of ten (10) hours will be paid for at double the regular rate. Saturday overtime will be at one and one-half (1-1/2) for the first three hours and double time thereafter. Day or night work done on Sunday shall be paid for at the rate of double time.

When the forty (40) hours option is in effect, all overtime in excess of eight (8) hours will be paid for at one and one-half (1-1/2) up to ten hours. All hours worked in excess of ten (10) hours will be paid at double time thereafter. (See Work Week and Hours.)

(b) Nothing in the foregoing shall be construed as allowing members to work more than the regular hours in any one day or night, unless paid for at overtime rates. A period of at least eight (8) hours shall elapse between the time overtime ceases and regular time begins, except that overtime shall be paid for each hour that employee works until the eight hour interval has elapsed.

(c) The Lead Worker in charge will notify the employees affected personally or by a posting procedure immediately after they become aware of the requirement of overtime work. Overtime will be assigned to employees capable of performing the work within the respective

classifications: Journeyperson 1, Journeyperson 1 Apprentice and Journeyperson Production Worker (J.P.W.) consistent with seniority standing where practicable. Employees performing work on jobs where overtime is required may proceed to finish the job in an orderly manner. Overtime work on Saturday, Sunday or Holidays will be scheduled by the Employer and the employees normally working on the shift involved will be assigned the overtime. The assignment will be in accordance with their seniority standing on that shift where practicable.

(d) The senior employee on duty will have the right to turn down overtime for any reason. Each succeeding employee in order of seniority shall have the right to reject overtime with the exception that the junior employee or employees, in sufficient number to perform the work, will be required to accept the assignment.

(e) Reasonable excuse by the most junior employee affected will be accepted as a justification for the rejection of overtime provided that a qualified substitute is available.

The Employer may not make unreasonable demands upon the same employee or employees for overtime, either in frequency or duration.

(f) Should the Employer reject a personal excuse of any individual employee, the employee affected will be required to perform the overtime and file a grievance if they desire. If it is determined at a grievance meeting that the employee's excuse was reasonable then the employee will receive penalty pay in an amount equal to that amount they earn by working overtime.

(g) If the matter is not resolved in a grievance meeting and is submitted to arbitration, the party losing the arbitration will pay all of the costs of the neutral arbitrator. In addition, if the employee is sustained, the Employer will pay the extra pay penalty as well.

(h) No employee shall be required to return to work unless a period of eight (8) hours has elapsed between quitting time on the previous day and starting time on the next shift.

(i) Overtime work shall not be construed to be part of the regular work week.

(j) Journeyperson Production Workers, (J.P.W.'s) who have not attained seniority shall not work overtime unless all Journeyperson 1 and Journeyperson 1 Apprentices who have attained seniority have been given the opportunity to work.

(k) No Apprentice Journeyman 1 or Journeyman Production Worker, (J.P.W.), in progression shall work overtime if there is a top rated employee in the appropriate classification available on that shift who is qualified to perform the work involved. Pursuant to this subsection, a Journeyman 1 and Journeyman Production Worker (J.P.W.) may bump an employee in progression in their respective classifications at the end of the shift.

Transferability of Help

SECTION 10.

- (a) Any and all help is transferable in the Bindery Department.
- (b) Overtime will be assigned in accordance with Section 9.
- (c) However, no J.P.W. employee can be required to transfer to, or perform, work in, any other classification without the J.P.W. employee's consent.
- (d) In the event of a layoff, any J.P.W. employee who has permanently transferred from one classification to the other will retain their seniority position in the classification transferred out of for one (1) year after the date of transfer.

SECTION 11.

- (a) Day or night work done on New Year's Day, Martin Luther King Day Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, the day after Thanksgiving, the day before Christmas, Christmas Day, or days celebrated as such, and the floating holiday shall be paid for at the rate of three (3) times the straight time hourly rate. It is further agreed that the employees covered by this Contract shall not work on Saturday at straight time rates for purpose of making up for a holiday. It is further understood that if a holiday occurs during the time an employee is on vacation, the holiday will not be charged to vacation.
- (b) The floating holiday designated by the employee shall be taken at a time selected by the employee, with the supervisor's approval, provided the request is submitted to the employee's supervisor in writing at least fourteen (14) calendar days in advance. The supervisor may waive the fourteen (14) day advance notice if staffing needs permit. The floating holiday must be used between July 1st and June 30th each year.

(c) The Employer will grant all but two (2) J-1 employees' requests to take Good Friday as a floating holiday. However, if necessary, two J-1 employees will be assigned to work on Good Friday based on inverse order of seniority.

(d) Employees shall receive seven (7) hours pay for three and one-half (3-1/2) hours of work performed on December 31st provided December 31st falls Monday thru Friday. Third shift employees starting their work week on Sunday shall receive seven (7) hours pay for three and one-half (3-1/2) hours of work performed on December 31st provided December 31st falls Sunday thru Thursday. Employees working beyond three and one-half (3-1/2) hours shall be paid at the rate of three (3) times straight hourly rate. The one-half holiday for December 31st shall not be payable to employees on vacation.

Holiday pay

SECTION 12.

(a) When no work is performed on the above enumerated nine holidays or days celebrated as such, holiday pay shall be based on the average straight time hours worked the previous Monday through Saturday, with a maximum of eight (8) hours per day but in no case less than seven (7) hours. The Employer shall have the privilege of working any or all employees on such holidays if necessary in which event payment shall be made in accordance with the provisions of Section 11. of this Agreement. If any of said holidays falls on an employee's regular day off, the Employer has the option of granting Friday or Monday off provided the option is posted one week prior to said holiday. It is further understood that granting of pay for holidays is limited to employees who have been on the payroll of the Employer for thirty (30) calendar days or more prior to said holidays and provided the employee is on the job for their regular work shift immediately prior to and following said holidays except as herein otherwise provided. Absence from said shifts by mutual agreement shall not disqualify the employee from receiving holiday pay.

(b) An employee with seniority who is on temporary layoff shall be paid for the holiday to the same extent as if they had worked and qualified in accordance with the above under this section, provided they have worked during the work week of the holiday, or in the work week prior to or in the work week following said holiday.

(c) Employees with seniority absent due to illness or accident and therefore, not qualified under the above shall nevertheless receive holiday pay if the particular holiday occurs during the first forty-five (45) calendar days of said absence; provided, however, that employees absent due to sickness or accident, whose absence is limited to the scheduled day before or after the holiday (or both) will not be entitled to holiday pay.

The Employer will remit one check, covering both the Employer portion and the employee portion to TeamCare. It is further understood that the total liability of the Employer under the TeamCare plan referred to in this Section are the amounts stated in paragraph 3 below.
3. The Employer's monthly contribution to TeamCare is as follows:
 - a) Effective, May 1, 2022, the Employer's contribution to TeamCare is \$980.00 per month for each employee. In addition, the Employer will pay \$41.67 towards the HRA per month. The Employer will

inform the Union of an employee's change in coverage as well as any employees arriving or departing from the workforce. The Union will in turn inform the Employer of any changes to employee deduction amounts whenever they occur. Covered employees must communicate directly with TeamCare regarding any plan coverage questions.

- b) The dollar amounts set forth above are the Employer's only liability with respect to TeamCare coverage.
 - c) As long as the Internal Revenue Code permits before-tax contributions for medical plans, the Employer will implement and operate a Section 125 plan which will permit employees to pay their portion of the health and welfare contribution, if any, with pre-tax dollars.
4. Employees are eligible for coverage after working in the bargaining unit for at least thirty (30) days.

Pre-Tax Benefits

SECTION 22.

This program will be applied consistently with the provisions of Code Section 125 and any regulations thereunder.

Definition of Regular Fulltime Employee

For Purposes of Seniority and Layoff

SECTION 23.

For the purpose of seniority and layoff, regular full time employees shall be defined as those persons who have worked thirty (30) successive shifts or have worked thirty (30) shifts in any continuous sixty (60) day period, including Saturdays, Sundays and Holidays. The foregoing definition shall be applied uniformly throughout this contract.

Seniority — Layoff — Notice

SECTION 24.

(a) There shall be four (4) seniority groups; namely, Journeyperson 1's, Journeyperson 1 Apprentices, Journeyperson Production Workers and Journeyperson Production Workers in progression. For the purpose of layoffs or reductions in work force, preference shall be given the senior employee who is capable of performing the work in their group and the employee with the shortest seniority standing in their group shall be laid off first and in rehiring, the employee with the longest seniority in the group shall be rehired first. Provided, however, that all Journeyperson 1's shall have seniority over all Journeyperson 1 Apprentices, Journeyperson Production Workers and Journeyperson Production Workers in progression.

Provided further, however, that an Apprentice Journeyperson 1 within ratio as set forth in Section 20. (d) who has an earlier date of hiring as an indentured apprentice, then a Journeyperson 1 shall hold seniority for the purpose of determining the order of layoff; and provided further, a Journeyperson Production Worker who has an earlier date of hiring than a Journeyperson 1 shall hold seniority for the purpose of determining the order of layoff. The foregoing shall govern in all cases except when a noticeable, marked degree of disparity exists with respect to ability, qualifications and skill in the classification involved.

(b) An employee having less than six (6) months seniority with an Employer shall be removed from the seniority list when temporary layoff exceeds one (1) year. Employees having more than six (6) months of seniority with an Employer shall be removed from the seniority list when layoff exceeds two (2) years.

Employees having more than the (10) years of seniority with an Employer shall receive the additional protection of two (2) months for each additional year of service with no maximum.

Such employees shall report back to work within reasonable notice of at least three (3) days if the layoff has been for over two (2) weeks. If the layoff has been for a lesser period, they shall report back as notified. Longer periods of notification will be given if the Employer can give such advance notice. Notification will be given in accord with the record left by the employee with the Employer. Failure to respond will terminate all seniority privileges. The Employer must, within seven (7) days give both the employee involved and the Union written notice of the removal of any employee from the seniority list.

(c) Employees shall be regarded as temporary employees while serving a probationary period for the first thirty (30) shifts of their employment. There shall be no responsibility for the re-employment of

temporary employees if they are discharged or laid off during this period. After an employee has worked thirty (30) successive shifts or has worked thirty (30) shifts, including Saturdays, Sundays and Holidays, in a continuous sixty (60) day period, the name of such employee shall then be placed on the Seniority List for their respective classifications in order of date of hiring and such employees shall then be entitled to all the benefits of this Contract.

Notwithstanding anything herein contained to the contrary, employees who are not regular full-time employees as defined by Section 23, shall, for wage purposes only, be entitled to credit for all time worked for employers who are signatories to an Agreement in the Minneapolis-St. Paul area. As each such employee reports for work, the Employer will provide an application form on which the employee will insert all previous employment experience for which the employee claims credit should be given. No credit will be given for any experience not shown on the application. The Employer will have the right to verify the experience. However, the burden of proving experience claimed will be on the employee in the event the Employer questions the information supplied, after attempting verification. Days of experience need not be successive. In computing the appropriate wage rate of such employees, twenty-one (21) shifts worked will constitute one (1) month within the meaning of Section 4.

(d) Seniority Lists shall be made available upon the request of the Shop Steward and a copy of the Seniority List kept current and sent to the Union office at least once a year as of February 28.

(e) When the Employer becomes aware of a pending temporary layoff, they will notify affected employees with seniority no later than the first two (2) hours of their last work shift. The Shop Steward will also be notified.

(f) A regular full time employee, as defined in Section 23, who loses their job as a result of the closing of the bindery operations of the printing plant will receive as severance pay, one (1) week of pay for each three (3) years of service with the Employer with a minimum of two (2) weeks pay and a maximum of ten (10) weeks pay. Severance pay does not apply if the employee is transferred to or offered comparable employment in the Twin Cities metro area on or before their last day of work.

(g) The Employer shall be notified by the Union, in writing, of the identity of the Shop Steward.

Change of Shift Opportunities

SECTION 25.

Employees shall be given the opportunity, not more than once per year, to move from one shift to another, on the basis of their seniority standing, providing employees capable of performing the work are available on each shift to handle the required work. Eligible employees providing written notice shall have their shift changed 30 days from the date the notice was received.

Discharge

SECTION 26.

An employee may be discharged for just cause provided written notice thereof is given immediately to the employee and a copy sent immediately to the Union. Disputes over discharge shall be subject to the grievance and arbitration provisions of Section 3., except that any notice of protest must be filed with the Employer within seven (7) calendar days after the date of the Union's receipt of the written notice as required in this Section.

Leave of Absence

SECTION 27.

(a) An employee desiring a leave of absence from the job, not in excess of ninety (90) days must first make the request to the Employer in writing, stating the reason for the leave of absence and the date of return. If granted by the Employer, approval thereof must be in writing, in triplicate, one copy of which will be given to the Union, one copy of which will be given to the employee and one copy of which will be retained by the Employer. Seven (7) days prior to the date of return set forth in the written leave, the employee shall notify the Employer in writing of their intention to return. Failure to comply with this provision shall result in loss of seniority standing. In case of emergency or other causes requiring special consideration, reasonable extension of the leave may be granted. . . . However, the Employer and the Union must be notified and agree prior to the expiration of the leave if such extension is desired, with the notice given as required in the first sentence.

(b) Maternity leave shall be granted. The Union has no objection to legal Employer rules relative to maternity leave. However, responsibility for any violation of state or federal laws or regulations rests solely with the Employer.

Practices

SECTION 28.

Neither party hereto shall be bound by any rules, regulations, or oral agreements not covered by this Contract, except that the Employer shall be sole judge of Shop practices not mentioned herein and the Shop Steward shall be recognized as the representative of the Union. The Employer shall be sole judge of the qualifications of Leadworkers and shall not be restricted in any way as to the appointment or discharge of such Leadworker, provided, nevertheless, that mere designation of an employee as a Leadworker or any other title implying managerial or supervisory position shall not automatically entitle such employee to super-seniority and rights incidental thereto and shall not automatically remove such individual from the bargaining unit. Under no circumstances shall a Leadworker be allowed to administer a verbal or written warning against another Union member. Leadworkers shall continue to earn and use seniority.

Loan-Out of Employees

SECTION 29.

In the event any Employer, signatory to this Contract, desires to loan any employee covered by this Contract to another Employer signatory to this Contract and such employee consents thereto, then in such case the loaning Employer shall have the following obligations:

- (a) To continue the loaned employee on its seniority list.
- (b) To credit the loaned employee with shifts worked for vacation pay accrual purposes.
- (c) Pay health and welfare premiums.
- (d) Pay Pension Fund payments.
- (e) Pay for any holidays which may occur during the loan-out period.
- (f) The Employee will be notified not later than the first two (2) hours of the last work shift prior to the day on which they will be required to return to the loaning Employer.

The Employer to whom the employee was loaned shall have only the obligation to pay the employee according to the employee's appropriate pay schedule.

Funeral Leave

SECTION 30.

(a) Should a death occur in the immediate family, non-probationary employees will be granted up to three (3) consecutive work days immediately preceding, including, or immediately following the funeral. The employee will be compensated for the regularly scheduled straight-time that they would have worked within the applicable period, Monday through Friday, had such death not occurred.

(b) "Immediate family" shall mean the employee's spouse (see also Section 31(d) below), children, father, mother, brother, sister, father-in-law, mother-in-law, step-father, stepmother, step-children, grandparents and grandchildren.

(c) In the event of the death of a member of the immediate family serving in the armed services, the employee will be granted an additional one (1) day off when the body is returned for burial plans plus any of the three (3) days not used under (a) above.

(d) Upon the death of a spouse the employee may take up to five (5) days paid funeral leave.

Non-Discrimination

SECTION 31.

(a) The Employer and the Union have been pledged and continue to be pledged, to policies of employing personnel, dealing with employees, or members, on the basis of ability, qualification, job content and performance, with no distinction in assignment, training, promotion, layoff, compensation or conditions of employment, because of race, creed, age, color, religion, sex, or national origin, handicap, veteran status, or sexual orientation. The parties will continue to observe non-discriminatory practices in the application and administration of the provisions of this Agreement.

(b) Any employee, regardless of sex and regardless of job title, who actually performs the duties and responsibilities of any job or classification of work covered by this Agreement, shall be paid not less than the minimum contract rate of pay for such job or classification of work.

New Machinery and Processes

SECTION 32.

(a) The Employer agrees that in the event of installation of new or improved machinery or processes for work covered in the jurisdiction clause of this Contract, such machinery or processes must be operated by employees covered under this Contract and under the scale of wages and conditions of work agreed upon this Contract. Furthermore, staffing shall be discussed and wherever possible will be operated in accordance with the practice of the Industry in the Twin Cities, provided the method of operation, type of product produced and auxiliary equipment (if any), is the same.

The Employer will notify the Union in writing ninety (90) days prior to the installation of new or improved machinery or processes for work covered in the jurisdiction clause of this Contract, or the day of purchase, which-ever is lesser and will meet with the Union upon written request, to thoroughly discuss that new machinery or processes.

An employee displaced because of a new machine or process shall not be subject to layoff before any employee with less seniority, until the displaced employee has been retrained or the employee refuses retraining or fails to qualify after a reasonable period of time. In those cases where the parties disagree on manning of equipment based on the practice of the Industry in the Twin Cities, the decision of whether the Employer has equipment which has the same method of operation, type of product produced and auxiliary equipment (if any), may be submitted to arbitration by either party.

Savings Clause

SECTION 33.

It is agreed that if any section or clause of this Contract is declared to be illegal or inoperative by any governmental authority of competent jurisdiction, the balance of this Contract will continue to be effective and that conference will promptly be called for the purpose of rewriting any such section or clause previously referred to.

International Approval

SECTION 34.

The terms and conditions of this Contract and amendments are subject to review of the International and the Contract does not become a valid and binding document without the approval of the International President. Such approval does not, however, under any circumstances make the International responsible for the observance of this Contract or for any breach thereof.

Teamster Members Retirement Plan

SECTION 35.

(a) The Employer agrees to accept wage authorization from employees for the Teamster Members Retirement Plan, in the amount of maximum of six percent (6%) of earnings (but in no event less than \$5.00) each week and forward in full such amounts as authorized to the office of the Local Union. Such authorized amounts are to be forwarded not later than the 5th of each month for the preceding month. The employer agrees to implement an increase in the percentage amount of the payroll deduction if so notified.

(b) In the event Paragraph (a) is deemed in the opinion of either party to be unenforceable or in violation of any State or Federal law, then at the request of either of said parties, the following shall be automatically submitted therefore.

(c) Payment of wages shall be by check in accordance with the office procedure of the Employer. Payment of the total weekly earnings shall be made in two checks to the employees, one for the amount not to exceed the amounts outlined in Paragraph (a) above as directed in writing to the Union and the other for the balance of the employee's earnings.

DISCIPLINE

Section 36.

The management of University of Minnesota Printing Services is charged with ensuring the production of high quality products and services. A Printing Services employee must strive to adhere to high standards in all aspects of work performance. If an employee fails to meet work performance standards, the parties agree progressive just cause discipline may be necessary.

1. Investigation

An investigation which could result in possible disciplinary action will not occur unless and until the employee has been given an opportunity to ensure a Union Representative will be present during the questioning. Employees may waive their right to union representation at an investigative interview.

2. Progressive Discipline Steps

1. Verbal Warning - A documented acknowledgment of verbal notice given to the employee by a non-bargaining unit supervisor or manager.
2. Written Warning - A written notice given to the employee by a non-bargaining unit supervisor or manager.
3. Suspension Without Pay
4. Discharge

The parties acknowledge and agree the Employer is not obligated to proceed consecutively through the discipline steps depending on the circumstances.

3. Union Representation

All written warnings, suspension letters and discharge letters will be presented to the employee in the presence of Union steward or business agent unless the employee declines union representation for that event.

4. Human Resources File

All levels of discipline will be placed in the employee's Human Resources file.

If the employee receives no further discipline within 12 months following the date of a documented verbal or written warning, the documented verbal or written warning will be removed from the employee's HR file.

If an employee receives no further discipline within 24 months following the date of a suspension notice, the suspension notice will be removed from the employee's HR file.

Suspension notices given for sexually or racially harassing behavior and/or threatened or actual physical violence must remain in the employee's HR file for five years following the date of the notice.

Employees may examine their own Human Resource file at reasonable times under the direct supervision of the employer. Permission must be secured from the supervisor if this would occur during work time.

5. Discipline Grievances

Documented verbal warnings may be grieved to Step 2 only. All other discipline may be grieved to arbitration. See Article 30 Grievance Procedure for details.
